Starseed Bahamas Adventure 2023

Day 1 Arrival Grand Bahamas

Arrival at **Grand Bahama Airport (FPO)** before **11:00 am**. Sunday, June 18th

“Snorkeling/Freediving...to us, they are the same, going into crystal clear, beautiful water with just a mask, fins and snorkel...simple and free...” – Captain Geoffrey

Our Starseed Bahamas Adventure begins with a Welcome Lunch at 11 a.m. boat side. Providing roundtrip ground transportation, we will arrive at Paradise Cove on the southwest side of the Grand Bahamas island. Here starseeds will acclimatize to our personal snorkel gear while discovering the shallow, clear waters teeming with coral, colorful reef fish, and sea life from turtles, rays and more. It is not uncommon to spot wild sea turtles while swimming. Afterward, we will rinse off at the Grand Bahama Yacht Club before reboarding our private 50-ft catamaran. We will return to the town to sample Bahamian style cuisine at *The Flying Fish*, dinner at our own expense. *Calypso music and dancing is optional but highly recommend*. We set sail that night for Bimini.

Our Starseed Adventures are spirit-based, providing ample space for joyful spontaneity, conscious co-creation and to allow unseen forces to move and direct our energies as needed. Days adjust to accommodate group spirit, the weather, and our joy. Please ask me about flight tips & early arrival.

Included: Boat Accommodation / Ground Transportation from boat to bay / Snorkel gear included / Group Lunch, on-board snacks, and non-alcoholic beverages.

Day 2 Bimini Waters

Group exploration at Sea, Bimini. Monday, June 19th

“The nets in the bow are lovely to just sit or lay on and feel the smooth albeit bouncy movements on the waves (and suddenly you may discover a dolphin underneath your belly, looking back up.)” – Mimmi

Our eco-friendly boat is outfitted for a live-aboard experience. On this morning, we wake to the sights of Bimini Island. We are here to swim with wild dolphins choosing to interact with us. After breakfast, our dolphin exploration begins. Once spotted we have options for interactions, from holding onto ropes while being pulled as the dolphins swim alongside or around us, to snorkeling or freediving with the pod. The crew provides our equipment, meals, and non-alcoholic beverages so we can spend our free time enjoying our environment. Our 50-ft catamaran is equipped with three private sleeping quarters for shared accommodations for two people. Close friends or couples, ideally.

Included: Boat Accommodation & Excursion / Breakfast, Lunch, Dinner, Snacks & Non-alcoholic Beverages / Snorkel gear included.

Day 3 Bimini Waters & Infamous Bimini Road

Group exploration. Tuesday, June 21st

After breakfast, we will continue to explore Bimini waters for dolphin interaction. Our days allow for group spontaneity as we explore the marine life around Bimini Island, and the infamous Bimini Road lying 18 feet below the water's surface. Located ¼ mile off North Bimini Island, the limestone blocks run NE to SW for about .5 miles long. In June of 2014, while anchored off the Bimini Road, a group of us experienced some 'high strangeness' that set me on the path of discovery. From Atlantis theorists to episode 4 of Graham Hancock's Ancient Apocalypse, exploration of this unique formation continues to be debated. Decide for yourself, perhaps you might capture this moment with your underwater camera.

Included: Boat Accommodation & Excursion / Breakfast, Lunch, Dinner, Snacks & Non-alcoholic Beverages / Snorkel gear included.

Day 4 Solstice Celebration

Group exploration. Solstice Celebration, 10:57 a.m. Wednesday, June 21st

From the privacy of our boat with endless sea views, we celebrate the summer solstice with like-minded starseeds. What a better opportunity to capture the unobscured rising sun then to swim with dolphins and sunbathe as the sun reaches it's highest position in the sky. Share conscious conversations as we take-in that tequila-color sunset and marvel at the vast field of bright stars in the night sky.

Sometimes you need to loose sight of the shore to discover yourself again.

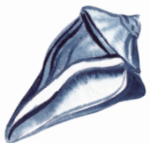

On one of our Bimini water days, weather and interest permitting, we may snorkel near the deserted Bahamian island of Great Isaac Cay.

Included: Boat Accommodation & Excursion / Breakfast, Lunch, Dinner, Snacks & Non-alcoholic Beverages / Snorkel gear included.

Day 5 Final Dolphin Swim

Dolphins, Dolphins, Dolphins, Thursday, June 23th

Our last day to swim with wild dolphins. By evening, we sail back to the Grand Bahama Island where we will awake dockside for breakfast.

Included: Boat Accommodation & Excursion / Breakfast, Lunch, Dinner, Snacks & Non-alcoholic Beverages / Snorkel gear included.
